

REFERRAL PROGRAM

As a White Knight customer, you are automatically enrolled in our referral program! Our goal as your pest control company is to take care of those unwanted pests around your home and to gain your trust in knowing that we will do whatever it takes to rid you of those pesky pests. In doing so, it is our hope that you will entrust us to take care of the pest problems your friends and family are experiencing as well!

As a token of appreciation for referring White Knight Pest Control, we have created a rewarding referral program for you, one of our most valued customers. For each person you refer who signs up on our services, you will receive a *\$25 credit on your account when their home receives its initial treatment. But wait, you have another great option! You may postpone the credits to your account and earn a chance to go on a **Four Day Cruise to the Carribean for two when you refer 10 new customers!

All you have to do is simply fill the 10 spaces below with Names and Contact information of your friends and family and submit the list to us through mail. (You may also send your referrals via email to referrals@whiteknightpest.com with the subject "My Referrals".) Next, talk to them about your new pest control company. We will then contact them...and when they sign up, you will be notified! And lastly, pack your bags for a cruise on the Carribean!
